### **Englehart and District Hospital 2015 Fundraiser was a huge success**

The 11th Annual Englehart and District Hospital Dinner & Auction was once again a huge success.

Those in attendance enjoyed the evening's festivities which included a delicious meal prepared by the Englehart Northern Beacon Rebekah Lodge; music by the much loved band "Timeless"; a silent auction; penny sale; and the ever popular Live Auction hosted by John and Jen Robertson with guest auctioneer Trudy Houghton. The Charlton-Englehart Lions Club once again donated their time and skill to provide refreshments. The students of the Engle-

hart High School, under the direction of Connie Martin, helped with the set up of the tables and then returned to serve the meal and their energy helped to make the evening a success.

The community worked together to raise \$48,423.24 which will be used to purchase equipment for the hospital. Over the past 11 years of fundraising the community has donated \$261,965.13. Although the Fundraising Committee membership has changed over the years, the dedication of this group of volunteers has never wavered.
